

PREMIUM series

Premium Series Short Elegant Panel with Colonial 509 Window Design shown in White

3-layer steel construction features polyurethane or polystyrene insulation sandwiched between two layers of heavy-duty steel for excellent energy efficiency, strength, durability and quietest operation.

STYLE AND CONSTRUCTION

- 3-layer construction (steel + insulation + steel).
- Tongue-and-groove section joint and bottom weatherseal in a corrosion-resistant aluminum retainer help seal out the elements.
- Woodgrain embossed insulated steel base door painted front and back for a clean appearance.
- Prepainted white end stiles and interior steel backing for a clean appearance.
- R-values range from 6.5 to 18.4.

Calculated door section R-value is in accordance with DASMA TDS-163.
